## Case Study A

You are Pastor Z, adult. John told you that, he is a 13 years old boy and has been abused by family friends in past weeks.

- What information or details that you need from John?
- What would you do as a pastor of the online community that he is currently in?
- As an adult yourself, how could you help a minor professionally and appropriately?
- If John is an adult, what would you do differently?

## Case Study B

You are Mr. D, minor. Doe told you that, he has cutting behaviors and showed pictures online as evidence.

- What information or details you need from Doe?
- What would you do as a leader of the online community that he is currently in?
- As a minor yourself, how could you deal with the situation maturely and appropriately?
- If Doe is a minor, what would you do differently?
